

ANNUAL MEETING

28-29-30 September 2011
Congress Venue: Maastricht,
Amrâth Grand Hotel de l'Empereur

Dear Colleagues,

It is a great pleasure to invite you to the Annual Meeting of the European Society for Social Pediatrics and Child Health. The theme of this year's meeting is "Partnerships in prevention, cure and care". Our goal is to exchange ideas and experiences about partnerships from different European countries.

The Annual Meeting will be hosted by the Pediatric Department of Maastricht UMC and the Dutch Social Pediatric Association (SSPK). Both are represented in the Programme Committee.

The Province of Limburg welcomes this meeting wholehearted in Maastricht. Maastricht is situated in the centre of Europe. It is a historic city, on the river Maas, famous for its history, shopping and dining culture. Maastricht is easily accessible by plane, train and car. The congress venue itself is located in the middle of the city, just opposite the railway station and within walking distance of all the important sites.
