Challenges

- Social determinants of health ?
- United Nations Convention on the Rights of the Child (UNCRC) ?
- Bringing on board professionals from various fields (health, social, law,...):
 - “SDGs & UNCRC & Social pediatrics: What is in there for me?”
- Interdisciplinary for real:
 - Joint training and making them work together!

Involve children/youth & make a first step

- Unknown & complexity
 - Fear => interest, curiosity
- Change
 - Resistance => facilitation, open mind
- Workload
 - Burden => Fun
- Time
 - Not enough => take some !
