European Society for Social Pediatrics and Child Health

Health Systems and Child Health: lessons from cross-country comparisons

Meeting Programme

September 13, 2007

- 9.00 – 10.30** Children in the health systems: analytical framework and state of the art
- a global perspective
(Giorgio Tamburlini, Trieste, Italy)
- a European perspective
(Nick Spencer, Warwick, UK)
Chair: Stella Tsitoura
- 10.30 - 11.00** *Coffee break*
- 11.00 – 13.00** Comparing health systems performance for children. A country-based case approach: who is falling in the cracks and why?
Reports from countries
Chair: Nick Spencer and Giorgio Tamburlini
- 13.00 - 14.00** Lunch and poster session
- 14.00 – 14.45** Overview of prenatal and postnatal services in OECD countries
(Simon Chapple, OECD/OCSE)
Chair: Manuel Katz
- 14.45 – 15.30** One country of origin, different health systems of destination: infant mortality in children of Turkish origin in Europe
(Anders Hjern, Sweden)
Chair: Olivier Duperrex
- 15.30 – 17.30** Maternal and child health systems: what matters? Free papers session
Chair: Erika Sievers and Mitch Blair

September 14, 2007

- 8.30 – 10.30** Policy implications: ensuring quality care to all children. Round table (WHO, OECD, EUPHA, ESSOP, IPA, EU) and plenary discussion
Chair: Lennart Kohler and Luis Martin
- 10.30 - 11.00** *Coffee break*
- 11.00 – 11.45** Going upstream: mothers in the health Systems
(Alberta Bacci, WHO EURO Making Pregnancy Safer programme)
Chair: Gülbin Gökçay
- 11.45 - 12.30** Health systems and maternal and child health: current views and work in progress at WHO EURO
(Mikael Ostergren, WHO-EURO, Family Health Division)
Chair: Giorgio Tamburlini
- 12.30 - 13.30** Lunch and poster session
- 13.30 – 15.00** ESSOP Administrative meeting
- 15.00 - 17.00** Training in social paediatrics
Round Table with European pediatric societies and Chairs of University Pediatric Departments
Chair: Nick Spencer

The meeting will provide, through cross country comparisons and case studies, a better understanding of how health system related factors may influence a variety of health outcomes in children. Specific attention will be paid to children with special needs and discussion will also concentrate on the policy implications of the various types of health systems and service delivery strategies. A special session will focus on training needs in social pediatrics and will discuss innovative training experiences.

SOCIAL PROGRAMME

Sept. 13th

Dinner at the Hotel Duchi d'Aosta Harry's Grill - Piazza Unità d'Italia - 8 p.m. (included in the meeting fees)

Sept. 14th
